

**10<sup>th</sup> March 2024**

## **Annual Quiz 2024**

Members of Maldon and Dengie 100 Ramblers took part in a quiz on 9<sup>th</sup> March at a new venue, Langford and Ulting Village hall. They raised £325 for Rett UK and enjoyed a range of questions. In particular they found a round where they had to estimate the length of things like Nile crocodiles and the width of bowling alley lanes good fun. In this round Team 4 stole the show by achieving 5 from 7 correct answers.

Whilst thanking members for their continued support over many years and my family for their help, I have now decided it is time to hang up my microphone and this is the last quiz I will organise. I will support anyone else who cares to take up the challenge. Thank you.

Jim

**Note from Editor: I'm sure the committee and all group members would like me to thank Jim and his family for the many years he has organised such an interesting and fun Quiz.**
